Vice President:

As part of the winter concert will be supporting 2 charity events. Toys for tots, Bring an unwrapped toy. And Miracle on Wild Cat Dr. This is a charity for students in our high school that are in need. It is ran by the school counselors. It is all done discreetly and makes a huge difference. Last year we raised over \$3k.

Treasurers:

There are 6 color guard that have not filled out the uniform order form.

Volunteer Coordinator:

The season isn't over, and we still need lots of volunteers. If you have any questions about volunteering or how to volunteer, please text or e-mail.

Fund Raising:

We have a couple of fund-raising events coming up. Ornaments from midnight pottery, Java Joe, and Krispy Kream.

Dr. Kiene,

Thanks for all the support during competition season. We are not done.

There is a chance if we make it to the state football final that we will do our half time show on TV.

We are only doing practice on Tue and Thurs from 3-4:30. It is not ok to stop going to practices. Students made a commitment to band and we still need that commitment from the students.

State football playoffs are a single elimination playoff. If we lose the season is over. We will not know where or when the next game will be until the Sunday after we win a game. Please be patient as a plan is put in place for the next game.

The winter concert will be at 7PM in the football stadium 15 Dec. Please invite all your friends and family. Bring an unwrapped toy for Toys for Tots, and donate to "Miracle on Wild Cat Dr."

The dress for the students is Black Tuxedo with white shirt for males and Black dress/skirt of the appropriate length for school for the females.

Volunteers make a huge difference for the band. We could not do our show with out volunteers. If we lose the concessions stand our band fees would more than double. If each family could volunteer at lease once per year if would make a huge difference.

TWIB. This week in band is on the band web site. It is updated weekly on Monday by Mr. Britt.

If you need information? We are trying to turn your students into adults, your first line of information should be your students. Next is the TWIB, Email Dr. Keane or Mr. Britt, and very last is Face Book.

There is no Christmas Parade in Richmond Hill this year.
